

2012 – 2013 EMERGENCY MANAGEMENT

The Township is updating its Emergency Management Plan. A part of that plan includes any special assistance residents may need during an evacuation or in the event of a fire, severe storms, power failures or other emergencies or disasters. We are asking you to provide us with important information that will help us in assisting you or someone in your home. You will need to provide this information even though you may have previously notified us of special conditions. All information received will be shared with the emergency services that respond into the Township. If there are more than one individual with special needs please duplicate this form and complete a separate form for each individual.

Name of Resident: _____ Phone: _____

Address: _____

Person with Disability/Medical Condition: _____ Age: _____

Medical Condition (check if applicable)

- On Home Oxygen Dialysis Wheel-chair or Bed-bound
- Diabetic - Type I _____ Type II _____ APNEA Monitor Legally Blind
- Hearing Impaired Other special needs conditions (explain) _____

Name, address and phone numbers of anyone you would like us to notify in case of an emergency and their relationship to you, such as a Doctor, Husband, Wife, Brother, Sister, Son, Daughter or Friend:

1. _____
2. _____

Would you need assistance in the event of an evacuation: _____

If emergency vehicles would have difficulty reaching your residence because of location, road conditions, obstructions, etc. – explain: _____

Please let us know if you move or if any of the above information changes. If you have any questions please contact Pat McDowell, Emergency Management Coordinator, at LEMC@nmiddleton.com.

Please return form to: **North Middleton Township LEMC**
 North Middleton Township Municipal Building
 2051 Spring Road
 Carlisle, PA 17013

You can help our police, fire and emergency medical services personnel find you **quickly in emergencies** by properly displaying your street address at your mailbox. The street numbers **MUST** be visible and should be able to be seen from both directions. If you live in a mobile home park make sure that lot numbers are at least 4" in height and are posted facing the street.
